

Dear Santa,

We've been very good this year! What we really want is to meet a nice family that will adopt us to be part of their loving forever-home!

Heartland Animal Shelter takes very good care of us while we wait to find our forever-home. The volunteers and staff at Heartland give us food and shelter and make sure we are always warm and well cared for. They walk us and play with us everyday!

So Santa, while we are at Heartland we could really use the following gifts. These gifts will help the nice Heartland volunteers and staff continue to care for us and keep us clean and tidy so we look our best when we meet our new family!

Thank You Santa!

Love,

All the Animals at Heartland Animal Shelter
